Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent.

Applicants' proposed request to delete data in column 14, line 26 is not warranted entry. The changes as presented are the result of a decision made by the examiner at time of allowance. Accordingly, applicants letters patent with respect to the above is therefore considered in accordance with the records of the Patent and Trademark Office.

In view of the forgoing applicants' request in this matter is hereby denied. However, a certificate of correction will issue to correct remaining errors noted in request. Any telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 308-9380 ext. 123.
